I have been doing digital marketing with **Prismaxis** from last one year. Earlier I was doing traditional marketing i.e newspaper ads, pamphlets etc & was struggling to attract the targeted clients. Now through proper targeting & creative ads I am able to reach my exact targeted customers. Thanks to **Prismaxis** my sales has gone up tremendously since I started their service & also my facebook likes & follows have also increased. Really appreciate the way they work in order to give you the best possible results.

I have an tours & travels company in Mumbai. With lot of growing competition it was becoming very difficult for me to survive the market. I came to know about **Prismaxis** from my colleague, he insisted me to contact them for overcoming this situation. They gave me half yearly digital marketing package which was very economical. After starting their service I got positive results from the very next day. Currently in spite of competition I am doing good business thanks to genuine leads generated by **Prismaxis**.

My clinic is located in Dadar Mumbai, I am piles & fistula specialist and I guarantee 100% recovery through laser treatment. I am associated with **Prismaxis** from last 6 months and they are providing me all sort of marketing services. Currently they help me for my seminars which I conduct all over Mumbai. They have generated massive leads through which all my seminars are getting successful & my conversion ratio has increased. The video testimonials they did for me has helped me to gain confidence & trust of my patients. Thank you **Prismaxis** for your wonderful support

I am in organic fertilizers business from over a decade. I approached **Prismaxis** for E-Commerce website since I wanted to grow my business globally. Their proficient team had couple of meetings with me to understand my requirement and within couple of months they gave me the exact output I was looking for. They have developed a very professional website which is customer friendly. Now they are also promoting it through digital marketing due to which I am receiving orders from all over India. Thank you **Prismaxis** for helping me out with my requirement.

Me along with my partner are running coaching classes from 6 years. Previously we used to get good amount of admissions, but with lot competition it had become difficult for us to attract more students. We approached **Prismaxis** since we were looking out for expansion. They insisted us to promote our classes digitally through digital marketing. We opted for their service and started getting results. We now receive direct calls from parents for admissions. They have also developed CRM Software for us through which we are able to keep a proper record of our students. Thanks **Prismaxis** for your efforts.
